1. SCHOOL CONTEXT

The College was established in 2015 to provide a pathway to success for students who are looking for a way to do school differently. We offer Year 11 and 12 (Stage 6) courses that allow our students to graduate with an HSC qualification alongside Vocational and industry-based qualifications that are useful for employment – for example, a Certificate 3 in Sport and Recreation, and a Certificate 3 in Business, or a Certificate 3 in early Childhood Education. We also offer optional in-house vocational qualifications, including the Certificate 3 in Fitness.

GOAL College is a diverse school, with Australian First Nations students making up 8%, and Pasifika students comprising 11% of all enrolments in 2025. Geographically, students enrol from all over greater Sydney and are increasingly relocating from regional and rural areas, and from interstate to Sydney, to complete Years 11 and 12 at our College.

We are proudly non-ATAR, and believe in achieving a balance for every student between developing critical life and work skills, along with academic study. All of our sports students undertake volunteering, working in primary schools to deliver free sporting clinics for students aged 4-12 years, and all students complete workplace internships, working in many different industries to develop their skills, talents and personal strengths. Despite being a Non-ATAR HSC program, many of our graduates proceed directly into university degree programs, on the basis of their successful completion of our HSC program.

We are incredibly proud of the outcomes our students achieve. We maintain an extremely high rate of both retention from Year 11 to Year 12, and of HSC completion for students who begin Year 12 with us (99% over the last 9 years). A small number of our enrolled students leave us in Year 11, but all of these have a pathway to full time work, apprenticeships, other schools, or full-time sporting careers. We are proud that we take the time to ensure every student who enrols with us has a pathway that is personally fulfilling.

The majority of students at GOAL have an interest in, and are motivated by, sport, with most playing sport weekly outside of school. A high percentage of our students compete at an elite level, but high-level sporting ability is not a prerequisite to attend the College. We also offer a sports-based distance education HSC for Australian students, and this year we graduated our first students specialising in Early Childhood Education.

The College enrols students with a wide range of abilities and strengths, both in sport and in academic learning. We are immensely proud of the academic, sporting, life and volunteering outcomes our students achieve.

Our vision and the measure of our success in achieving the vision is encapsulated below.

Our students:

- Believe in their personal value, and know they can learn
- Are treated with respect and treat others with respect

- Become skilled and connected, and sure of their direction after graduation.

Our parents:

- See their children succeed
- Know their children are happy
- Have confidence their children are respected and supported.

Our staff

- Love their work and know they are making a difference
- Know they are trusted to make decisions in the best interests of our students
- Feel empowered to be creative and do things differently

Our College strives to build our students' capacities within our system of core school values, the TRIPLE Values:

- **Tenacity:** Setting goals and believing in yourself
- **Resilience:** Accepting feedback and trying again
- **Integrity:** Being the best version of yourself
- **Professionalism:** Showing respect, effort and maturity
- **Leadership:** Showing initiative and solving problems
- **Empathy:** Working with and understanding others

Commitment to Child Safety

GOAL College is committed to child safety. We want all of our students to be safe, happy and empowered.

We support and respect all children, as well as our staff and volunteers.

We have zero tolerance of child abuse, and all allegations and safety concerns will be treated very seriously and consistently with our policies and procedures. We have legal and ethical obligations to contact authorities when we are worried about a child's safety, which we follow rigorously.

GOAL College is committed to the cultural safety of Australian First Nations children, the cultural safety of children from culturally and/or linguistically diverse backgrounds, and to providing a safe environment for children with a disability.

We have specific policies and procedures in place that support our board members, staff and volunteers to achieve these commitments.

2. OUTCOMES AND RESULTS

Standardised Literacy and Numeracy Testing

GOAL College does not participate in NAPLAN as we are a senior secondary school.

All students at GOAL College are assisted to achieve the minimum standard in Reading, Writing and Numeracy in order to attain their HSC.

In 2025, 42 individual Year 11 students (43% of new enrolments) had not yet met this requirement when they enrolled with us. Of these 42 students, 25 had not achieved the Numeracy minimum standard, 15 had not achieved Reading, and 38 had not achieved the Writing minimum standard. At the completion of Year 11, 38 of the 42 students had attained the minimum standard in all three areas. The remaining four students had achieved the standard in Reading and Numeracy, but not Writing.

Of the 57 individual Year 12 students who had not achieved the minimum standards on enrolment in Year 11, all but one had achieved minimum standards by the end of Year 12. The remaining students achieved minimum standards in Reading, but not in Writing or Numeracy.

Senior Secondary Outcomes

In 2025, 100% of Year 11 and Year 12 students participated in vocational education and training (VET) as part of their HSC.

Qualification	Number completed	Percentage of cohort completed
Cert III Sport and Recreation (Year 12)	101	92%
Cert III Business (Year 12)	105	95%
Cert III Early Childhood Education & Care (Year 12)	3	100%

Qualification	Number completed	Percentage of cohort completed
Year 11 Completion	98	100%
Year 12 Completion	109	99%
HSC attainment	109	99%

Student Completion of Courses

99% of enrolled students in the Year 12 cohort completed Year 12 in 2025.

99% of enrolled students in the Year 12 cohort gained an HSC in 2025.

94% of enrolled students in the Year 12 cohort at census date completed the full requirements of their VET courses (Business Certificate III and Sport, Aquatics and Recreation Certificate III) in 2025.

Higher School Certificate (HSC) Band Results 2021-2025

In 2025, GOAL College achieved its best results in Mathematics 2, with 100% of students at Bands 3-6 for Mathematics Standard 2 (17% better than the state results for Mathematics 2).

Subject	Year	No. of students	Bands 3-6	Bands 1-2

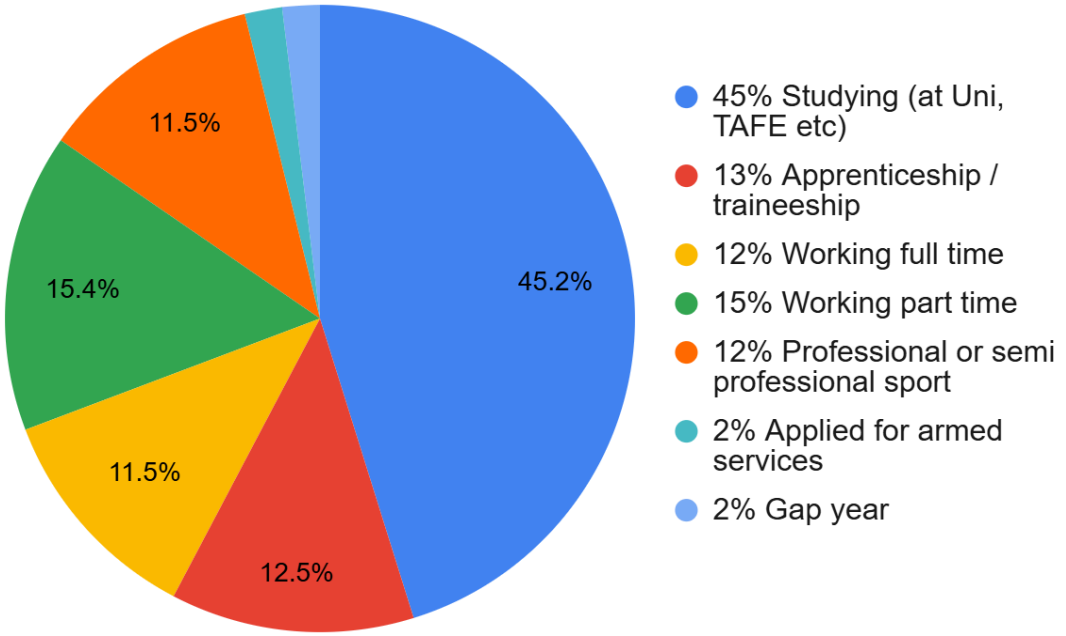
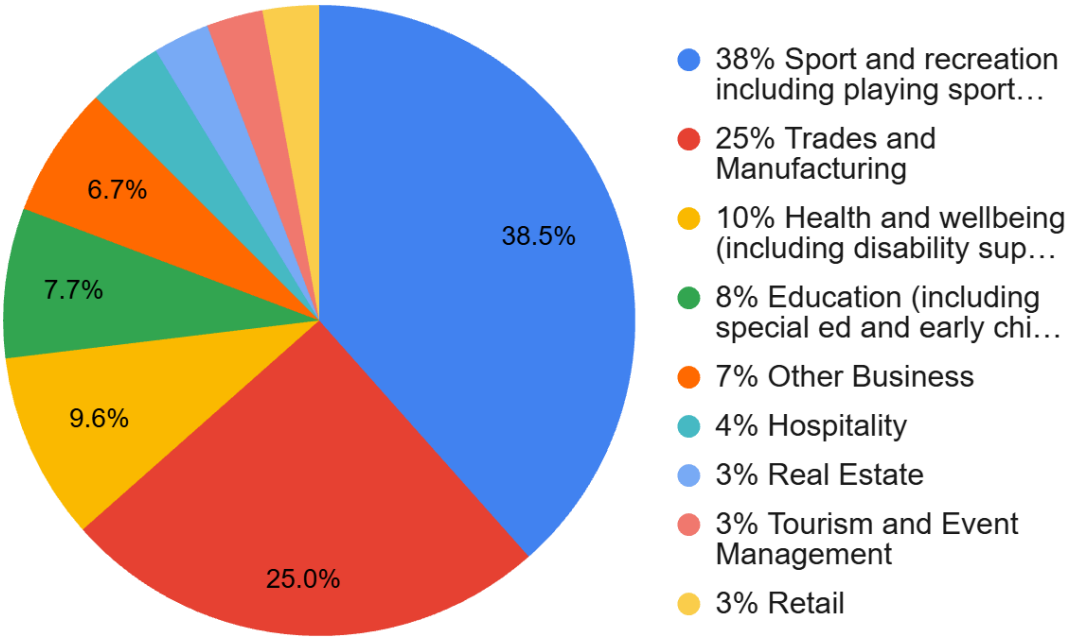
Post-School Destinations – 2025 Graduates

96% of 2025 graduates responded to the College's post-school destination survey conducted in February 2026.





3. STAFFING

Teacher Accreditation 2025

Level of Accreditation	Number
Conditional	1
Provisional	3
Proficient Teacher	15
Highly Accomplished Teacher (voluntary accreditation)	0
Lead Teacher (voluntary accreditation)	0
TOTAL	**19**

Workforce Composition 2025

School Staff	Number
Teaching staff	19
Full time equivalent teaching staff	18.4
Non-teaching staff	15
Full time equivalent non-teaching staff	10
Aboriginal and Torres Strait Islander staff	2

4. ATTENDANCE

2025 Year Level	Attendance Rate
11	87.15%
12	88.01%
All students	87.60%

- Students are expected to attend class every day that instruction is given. Students are required to make contact with their teacher on the day that they are reporting that they will be absent from class (parents/carers may make contact on behalf of students where appropriate, eg. serious illness and injury).

- Teachers will attempt to contact students directly when a student is absent and no notice of absence has been provided.

- In the case of an unexplained absence or where students cannot be contacted, staff will make contact with the student's family for an explanation of the absence.

- Students absent for an extended period of time (e.g. illness, sport commitments) will be provided with work. Teaching staff will liaise with the Principal to make arrangements with students and their families. Regular contact will be made with students who are absent for extended periods.

- Where student attendance falls below 80%, the parent/carer will be contacted and a plan will be developed to support the student in improving their attendance.

- In the case that a student ceases to attend class and no contact can be made with the student, College staff will contact the student and their parent/carer to attempt to convene a meeting. The purpose of the meeting is to have the student recommence class or confirm their new destination. In instances where a meeting cannot be arranged, this process may be facilitated via phone calls, text messages, emails, online meetings and letters.

- Where the destination of a student below 17 years is unknown, a NESA liaison officer will be notified of the student's full name, date of birth, last known address, last date of attendance, parents' names and contact details, an indication of possible destination, other information that may assist officers to locate the student and any known occupational health and safety risks associated with contacting the parents or student.

5. POLICIES

A variety of important policies are publicly available on the GOAL College website at https://www.goalcollege.nsw.edu.au/about/policies/

Included on the website are the following policies:

Child Protection Policy

Anti-Bullying Policy

Discipline Policy

Reporting Complaints and Concerns Policy

Enrolment Policy

6. STAKEHOLDER SATISFACTION

Teacher Satisfaction

The maximum score in a category is 100%.
